§ 1450.201

standard moisture determinations applicable to the eligible material;

(2) Total payment received, including the per dry-ton payment rate(s) matched with actual and dry weight tonnage delivered; and

(3) The qualified biomass conversion facility's certification as to the authenticity of the information.

§ 1450.105 Obligations of participant.

(a) All participants whose payment application was approved must agree to:

(1) Carry out and certify compliance with the terms and conditions of the payment application including adherence to a conservation plan, forest stewardship plan, or equivalent plan, as appropriate; and

(2) Be jointly and severally responsible, if the participant has a share of the payment greater than zero, with other contract participants for compliance with the provisions of such contract and the provisions of this part, and for any refunds or payment adjustments that may be required for violations of any of the terms and conditions of the BCAP contract and this part.

(b) [Reserved]

§ 1450.106 Payments.

(a) Payments under this subpart will be for a term not to exceed 2 years beginning the date that CCC issues the first payment, under this subpart to the participant and for each participant runs from the date that the participant receives a matching payment from CCC even though the participant may over time change facilities. The Deputy Administrator may further limit the period to reflect participation in BCAP for any time prior to October 27, 2010 as the Deputy Administrator deems appropriate. In addition, where ownership of a source of material has changed, or where it is deemed that other circumstances warrant, the Deputy Administrator may apply the time limit applicable to a person or entity or to another person or entity to assure that the 2-year limit is not avoided by private arrangement or other circumstance.

(b) Payments under this subpart will be paid at a rate of \$1 for each \$1 per

dry ton provided by the qualified biomass conversion facility for the market-based sale of eligible material in an amount up to \$45 per dry ton.

Subpart C—Establishment Payments and Annual Payments

§ 1450.200 General.

(a) As provided in this subpart, establishment payments and annual payments may be provided by CCC to producers of eligible crops within a project area.

(b) [Reserved]

§ 1450.201 Project area proposal submission requirements.

(a) To be considered for selection as a project area, a project sponsor must submit a proposal to CCC that includes, at a minimum:

(1) A description of the sources of renewable biomass, eligible land, and eligible crops that may be enrolled within the proposed project area;

(2) A letter of commitment from a biomass conversion facility stating that the facility will use, for BCAP purposes, eligible crops intended to be produced in the proposed project area;

(3) Information demonstrating that the biomass conversion facility will have sufficient equity available to operate if the facility is not operational at the time the project area proposal is submitted; and

(4) Other information that gives CCC a reasonable assurance that the biomass conversion facility will be in operation in a timely manner so that it will utilize the eligible crops, as determined by CCC.

(b) The project area description required in paragraph (a) of this section needs to specify geographic boundaries and be described in definite terms such as acres, watershed boundaries, mapped longitude and latitude coordinates, or counties.

(c) The project area needs to be physically located near a biomass conversion facility or facilities, as determined by CCC.

(d) Project area proposals may limit the nature and types of eligible crops to be established within a project area.
